Model information

Strategy Launch Date 31/01/2012
 Benchmark FTSE UK Private Investor Gbl Grw TR GBP
 12-Month Yield 2.08%

Costs and charges apply to this investment. For assets run to this model mandate on a Thesis nominee, the standard investment management fee is 0.75% +VAT (p.a). When investing in this model via a platform (such as those shown on page 2 under 'Availability') this management fee is instead 0.30% +VAT (p.a) in addition to any charges such platforms levy themselves. Your adviser will provide you with a personal illustration of costs and charges before you invest. Please ensure that you understand the costs of investing before making a decision. 12-month yield is estimated based on current portfolio weightings and using the most recent data of underlying funds. This quoted yield is variable and not guaranteed and may also vary depending on the investment platform chosen.

Issued by Thesis Asset Management Limited. Head office: Exchange Building, St John's Street, Chichester PO19 1UP. Authorised and regulated by the Financial Conduct Authority. This data reflects the current model as invested via a Thesis nominee company. As far as possible, model holdings are replicated on all investment platforms. Where the model cannot be replicated exactly (for example a platform does not allow ETFs to be traded), a substitute holding will be used. This may affect asset allocations and performance. TAM1906_08
